We would appreciate having a statement about your philosophy and work as an artist—either general or something specific about the piece(s) selected for this year's May Show to aid us in the preparation of gallery talks and in the release of publicity materials. For more space, use the back of this sheet.

I make things I'd like to have around me in home. Things to use or just to look at, but things that are warm and friendly. I'm interested in ornamentation and embellishment. I like the idea of blending the exotic with everyday usage. And humor plays a big part in most of my pieces.
